Subject: RE: Honolulu Rail Transit Coordination -- meeting tomorrow

Hi Wendy, We're glad you managed to make our meeting last week and appreciate your comments and insights. You mentioned you would like to participate in a meeting with Fish and Wildlife. We are tentatively scheduled to meet with them on January 8th at 10 (hopefully at Alii Tower again). I am trying to also include DOFAW, HDOT and DTS. One of the main topics will be a Certificate of Inclusion for *Abutilon menziesii* for the Habitat Conservation Plan.

I'll let you know as the meeting is finalized and send you a complete agenda.

Thanks. Happy Holidays.

Subject RE: Honolulu Rail Transit Coordination -- meeting tomorrow

Hi Wendy, Well then, we're all in luck! Tomorrow, Tuesday, we are meeting with the ACOE and DOH (also CZM and Water Commission staff). Would you be available to come? Attached and below is the agenda. The meeting is at 9 at Alii Tower, 17th floor, 1099 Alakea. If not, there will be other meetings in the New Year. Please don't feel slighted that you were not originally invited – we were trying to keep it on the small side and discuss permit applications, but it has grown to over 20 attendees.

**Honolulu High-Capacity Transit Corridor Project
Water Resources Agency Coordination Meeting
AGENDA**

Date: Tuesday, December 16, 2008

Time: 9:00 am

Location: Alii Place, 1099 Alakea Street, Large Conference Room, 17th floor

1. Introductions
2. Review agenda/Purpose of meeting
 - Need to start permits for design-build segment contractor
 - Construction starts anticipated December 2009
3. Draft EIS process and schedule overview
 - Project alternatives (impacts outlined in Draft EIS Table 4-1)
 - Comment period open now
 - Comment period closes January 7, 2009
 - Construction segments and schedule (Page 2-40 of Draft EIS)
4. Review design plans near waters of the US
 - Project alternatives cross 20 waters of the US (handout crossing list, review conceptual design for each)
 - Current design has piers in 4 waters of the US
 - No wetland impacts based on field observations (JD for wetlands is underway)
5. List of permits and approvals related to waters of the US
 - Section 404 permit, issued by Army Corps of Engineers (ACOE)
 - Project-wide vs. construction segment or other
 - Nationwide vs. individual
 - Renewal process or NWP reauthorization
 - Section 401 Water Quality Certification (WQC), issued by State Department of Health Clean Water Branch (HDOH-CWB)
 - Project-wide vs. construction segment or other (how meshed with ACOE)
 - Coastal Zone Management Consistency Determinations, issued by Office of State Planning
 - For funding related to FTA expenditure (project-wide consideration)
 - For Section 404 permit ACOE permit (covered by blanket if nationwide)
 - Special Management Area (SMA) determination, project assumes we are outside SMA
 - Stream Channel Alteration Permit issued by Department of Land and Natural Resources Commission on Water Resource Management (DLNR-CWRM)
 - Project-wide vs. construction segment or other
 - Renewal process
6. National Pollution Discharge Elimination System (NPDES) issued by HDOH-CWB
 - General vs. individual
 - Notice of General Permit Coverage (NGPC) prior to bidding
 - Site specific approval prior to start of construction, by segment
7. Other
8. Follow-up action items

Subject Honolulu Rail Transit Coordination

Hi Wendy,

As you are no doubt aware, the DEIS for transit has been released and we're having public hearings and the public comment period. We would like a chance to meet with you during this time as EPA is a participating agency. The SF office suggested I contact you directly. Would you be available on Thursday, Dec 18 at 10?

Thanks
